WELCOME

We hope you find this quarterly newsletter informative. It will be available on the website, at the club and will be sent to Members via email. Our goal is to keep our members in touch with what is happening at the Club and with the Board of Directors.

BOARD ACTIVITIES

The board has been updating the Organization Chart, the Mission and Vision, and the Scope of Work for Committees and Board Positions. The Club Rules are under revision. These will all be posted on the website once completed.

YOUR INPUT IS NEEDED

Photos in this edition are courtesy of Karinna and Isabel Grant. Please send in any images you have of the Club and its activities or the local area. We want to hear your comments, ideas, and topic suggestions for the next issue.

FACILITIES

Regular maintenance including painting and replacement of pool tiles is ongoing. An issue right now is the installation of fiber-optic cable for Wi Fi. This will be done as soon as we can make arrangements with Telmex or Totalplay. Guestroom renovations will be completed during the low seasons this year.

PRESIDENT'S MESSAGE

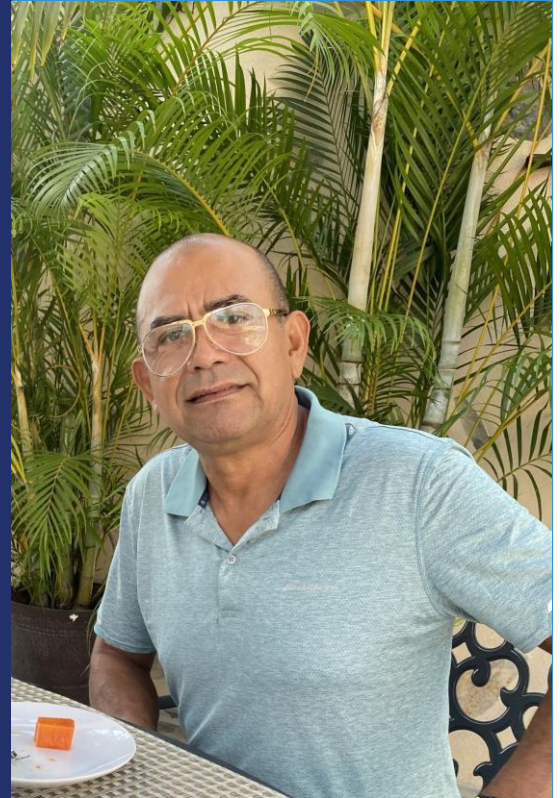

I am honored to be the 2024 Board President and am dedicated to transparent and carefully considered operations. I will be using this forum to keep you informed.

On the advice of the Vigilance Commissioner for the Beach Club, we will be asking members to pay dues, umbrella rentals, guest room charges and any other club bills with credit cards - effective January 1, 2025.

The Board has also approved a change with regard to the payment of annual dues. In the past we have given an extended period for payment because many members needed to pay in cash when they were present at the Club. As this is no longer necessary (with a payment system set up on our website, acceptance of credit cards and money transfers) payment will be required by January 1st. Access to the Club will be dependent on full payment of dues. Interest will be charged on unpaid dues amounts effective January 2nd. Members who experience undue hardship because of this change, are encouraged to talk with Karinna in the office regarding relief options.

A survey is being developed to get the opinion of our Members on several topics.

President

SOCIAL ACTIVITIES

FAREWELL PARTY

The most recent social event organized by the Social Committee was the potluck Farewell Party on April 10th.

Other events this past high season included a welcome Party, Cabaret Night and Bingo Night. All were well attended (although Bingo Night was the only sold-out event) and those in attendance really enjoyed themselves. Please share with Karinna any ideas you have for events and activities for the upcoming year. Our goal is to provide opportunities for Members to connect and share their enjoyment of our terrific little club!
